Spectrum Diabetic Services was created to provide diabetic patients and their caregivers the highest quality diabetic supplies, information and support at competitive prices with the least amount of inconvenience. We personally work with each patient to ensure they receive the best service possible and the correct products to properly manage their diabetes.

Benefits to our patients:

- We carry a wide variety of top quality name brand diabetic testing supplies, blood glucose meters, test strips, lancing devices, lancets, syringes, pen needles, insulin pumps, insulin pump supplies, batteries, alcohol prep pads, Thermoskin thermal foot gauntlets and wound care products. **Accu-Chek, One Touch, Ascensia, Freestyle, Arkray, Home Diagnostics, Becton Dickinson and Glucom.**
- **FREE DELIVERY** of your diabetic supplies directly to your home. **No more trips to the pharmacy.**
- No more Medicare or insurance paperwork to fill out. Our staff will verify your eligibility for you. *Co-pays, deductibles and some restrictions may apply.* We will contact you and get your approval if you owe any deductibles prior to shipping your order.
- We will contact your doctor on your behalf to find out what diabetic supplies you need to have delivered.
- We will contact you to remind you when you are eligible to receive your next order of diabetic testing supplies. You approve each order before it is shipped.
- We value our relationship with you so please be assured that all of your personal information will be held in the strictest confidence. Spectrum Diabetic Services complies with all HIPPA privacy standards.
- **100% Satisfaction Guaranteed.** If for any reason you are not completely satisfied with your order you may return it to Spectrum.
